

**Update for donors & friends:**

***Inauguration of Health Care training facility.***

Phaya Taung monastery, Inle Lake, Burma

***The power of prayer in meditation.....***

**Monk:** *Phongyi gave a very passionate speech to the children & village elders at the inauguration of the Healthcare Assistant training centre at the monastery.*

*"It was only some 5 years ago that feeding the 500 or so children was a day to day struggle. Every day I sat in meditation and prayed that someone of like mind would come from the outside into this remoteness and lend a helping hand.*

*Then one day there was a storm on the lake.....the rest is what you see around you. The 1200 children have clean water (Ko Yin Mineral Water) to drink, medical and sanitation facilities, vocational training in computers .....and now nursing training.*

*I am so happy to hear that the great opera singer Joseph Calleja will soon be doing a concert to help raise funds for our children at the monastery. Feroze tells me that he is a man with a big heart-a very kind and compassionate man. I thank him. The children and I pray for all the donors every day.*

**SAVE THE DATE: 6<sup>th</sup> June 2017 (note new date)**

**Feroze** "The Inle Trust is building a training centre next to the clinic. We could train 50 - 100 Healthcare students every year - this would be at a fraction of the cost of sending students for training to Taunggyi Hospital every year; besides we would always have a plentiful supply of nurses working at our own clinic"

Opening ceremony and first batch of 50 students [start 1st January 2017](#)"

**And.....not forgetting.....Ko Yin Mineral Water operating at full capacity.....4000 litres a day**

**Medical Clinic and building work starts on Healthcare Training centre**

***Please contact me if you wish to be involved in any of our projects and in particular the Medical clinic & Healthcare training centre.***

***Thank you for all your help and support without which none of this would have been possible.***
