Thank you in advance for your contribution to this cause, it means so much to me

After over 15 trips and as many years as dental volunteers across Africa and Nepal, we would like to share our last experience providing urgent dental care to 1,200 orphans at the **Phaya Tuang Monastery, in Myanmar.**

The team helping and Oral Health educating the children at the monastery

We went there wanting to help, but the place allowed us to find out more about ourselves than we could have imagined.

On this trip especially we felt as if we were entering a new and exciting chapter in our own lives.

We were helped more than we helped and, therefore, we feel obliged to go back and to give back to those adorable children.

"Thousands of candles can be lit with a single candle and it's life won't be cut short.
Knowledge, love and joy never diminish when they are shared."

Buddha

Working In Partnership
with the Inle Trust

Objectives of the Charity: The relief of poverty and the preservation and protection of good health of people living in Phaya Taung and elsewhere in Myanmar and developing countries,

The Inle Trust is a Charity registered in England, number 1154767

"Burma's internal conflict in the past several decades has had a drastic impact on the lives of its people..... The author, Feroze Dada, gives a moving accountto support a school and a care centre for destitute Burmese children started by the Monk at his monastery - I offer my prayers for their success"

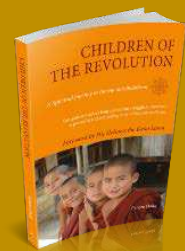

His Holiness The Dalai Lama

*"I am pleased to say that **His Holiness's prayers** continue to be answered, and since 2011 (when there were 350 children) we have been able to provide a mineral water factory, teaching & educational facilities and a health clinic. However for the 1200 children currently at the monastery there is a critical need for a dental facility. We hope that with your help we are able to achieve this aspiration for the children"*

I am grateful to Nuria Delgado-Colomo & Vassia Karpeta for taking a leading role on this project."

Feroze Dada, Founder Trustee
